Business Focus:

Reaction Co. is a general contracting firm that performs a wide array of construction projects on Guam, CNMI & Micronesia. It is currently managed by its Owner & President, Randy G. Sager. Joining the managing team are a group of individuals, namely our General Manager, Joann Duenas, Project Engineers / Estimators - Lisa Arcilla, Jason Reyes, and Denis Cruz and our Yard / Equipment staff, Ben Guerrero & Rodney Yara, who are highly motivated professionals who have the experience, knowledge and dedication to complete projects on time with a high quality commitment to our clients satisfaction.

We accomplish a majority of our work with our own workforce. Our clients include the US Military, Federal Government and the Govt. of Guam. Typical projects include commercial & industrial buildings, civil construction with site and utilities development.

Reaction Co. will continue to develop our satisfied client base, by performing construction projects that will endure the demands of today's business requirements along with our focus on project quality and professional performance by our employees, management team and trusted subcontractors.

Today, Reaction Co. has a strong business reputation on Guam & CNMI, as we are considered a very trustworthy General Contractor, which has provided reliable & professional construction services to our valued clients for the past 28 years.
